REQUEST FOR CORRECTION IN EXAMINER'S AMENDMENT ON ALLOWANCE

The Examiner's Amendment, which accompanied the Interview Summary and the Notice of Allowability, incorrectly states that Claims 1, 3-10 and 12 have been canceled. The Notice of Allowability correctly says that those same claims 1, 3-10 and 12 are allowed and that only claims 11 and 13 have been canceled.

Correction of the Examiner's Amendment is requested. The Notice of Allowability correctly identifies the claims that have been allowed and it is expected that those claims will be the claims in the patent to be eventually granted.
